Privacy Policy and Personal Data protection:

1. The aim and mission of the Website:

This innovation web page/portal in Georgian Maritime Industry, is created as an interactive place on the internet, where seafarers, ship owners, crewing agencies and other maritime employers could meet.

The goal is to create a network between the maritime employers and seafarers looking for sea-going jobs by using our online services. Also, to offer ship owners and managers one place where they can focus and target their marketing efforts to largest database of Georgian maritime professionals.

Page offers to seafarers as much information as possible concerning sea-going job vacancies, certificates, education, companies they can be eligible for and online services MTA is offering. Seafarers are also offered online services regarding written and interview examination registrations.

Our services for seafarers are based on a dynamic system of advertising sea-going vacancies of our registered maritime companies, database of interactive resumes and a system of electronically sent notices.

Registration, all services and information access for seafarers are completely free.

Page is created on behalf of the Maritime Transport Agency (MTA) under the auspices of the Ministry of Economy and Sustainable Development of Georgia, which

represents the National Maritime Authority, responsible for the effective implementation of organizational and legal instruments in the maritime field.

The minimum volume of requested user's personal data is defined by the Website in connection with the main services functionality and proper operation of the system accordingly to the main aim and mission. No personal data, other than what is necessary, is requested!
